

SERVICES AND PRICES

We can create a pricing structure for your company that suits your budget based on volume and your specific needs. Also, keep in mind that we have created special services for various companies to meet their needs, and are able to work with you to build the right program for your company. Please find our menu of services and prices below:

Area Relocation Package

Comprehensive local informational package including overviews of communities, information about the economy, school districts, etc. for the relocating professional.

Domestic Area Orientation and Community Tour

AIM assigns each Candidate or New Hire a Relocation Counselor who works with the client to determine his/her unique needs. AIM then schedules a local meeting in the area to provide:

- Background information on commutable areas
- A driving tour of selected communities
- Customized Area Relocation Package

AIM Counselors continue to work with the Candidates/ New Hires to provide sound, factual information during the decision-making process.

Rental Tour

For New Hires that decide to rent, the assigned AIM Counselor will provide an escorted rental tour that will:

- Help determine what type of rental might be appropriate based on budget, desired length of lease, amenities, etc.
- Explain the mechanics of the rental process as necessary (deposits, credit checks, leases)
- The counselor will make appointments to see rental properties and accompany the renter as they find the right fit.

Home Finding Assistance

Counselor will provide assistance and support while New Hire looks for homes in new location and will assist relocatee as needed throughout entire process.

International Orientation and Tour

Similar to the Domestic Area Orientation and Community Tour, with special emphasis on:

- The U.S. educational system
- Banking and insurance issues
- Automobile concerns
- Home buying and mortgage matters
- Cross-cultural concerns

International Rental Tour

Rental tour for International New Hires (see Rental Tours above.)

International Home Finding Assistance

See Home Finding Assistance services above (tailored to the International client.)

Cultural Adaptation and Practical Living Program

AIM Counselors work closely with International Candidates and New Hires on specific cultural and international concerns. As always, our program addresses each individual's concerns. For example, each AIM Counselor will:

- Escort international clients to the Social Security office and the Department of Motor Vehicles
- Review and visit the local hospital, post office, library, grocery stores, shopping malls, gas stations, gyms, etc.
- Discuss and assist with the use of U.S. currency, telephone systems, U.S. measurements and sizes
- Arrange visits to schools
- Help with registration to sports leagues, childcare programs, cultural events, etc.
- Locate places of worship
- Address any other issues of day to day living

Educational Assistance

AIM Counselors familiarize candidate/new hire with educational opportunities in the area. Evaluation and problem solving of individual needs and escorted tours of appropriate schools is part of the program.

Departure Services

- Assisting with tasks to complete before departing the United States
- Examples of service include help with notice to vacate property,
- inspection of property before departure date,
- obtaining security deposits for utilities and housing,
- canceling insurance policies,
- bank accounts, newspaper and magazines,
- gym memberships,
- obtaining medical and dental records,
- children's school records,
- submit forwarding address to Post Office.

Domestic Settling in Services

Offer to check in with them every few weeks for six months after arrival date to help with any situation that may arise.

- An orientation of the neighborhoods the client will be living in emphasizing stores, parks, and schools close by.
- Assist in setting up a bank account
- Suggest doctors, dentists and veterinarians
- Assist with obtaining a California driving license
- Answer specific question that members of the family may have
